EXISTING BRIDGES 2025

Management, Assessment And Rehabilitation Of Existing Bridges And Structures

The **Existing Bridges 2025** conference with international participation aims to point out the serious situation regarding the poor condition of existing structures, especially bridges. We hereby warmly invite you to an expert discussion on this issue.

Please save the date and venue of the conference in your calendar:

5. – 7. NOVEMBER 2025
HOTEL HOLIDAY INN ŽILINA

More details regarding the conference, registration, as well as abstract submission **will be posted at the end of 2024** on our website.

Conference participants will have the opportunity to submit original manuscripts to the journal **Civil and Environmental Engineering** (CEE), which is indexed in the Scopus and Web of Science databases.

Journal website: <https://svf.uniza.sk/cee/>

We look forward to your attendance...
Existing Bridges 2025 Conference Team
