

INVITATION

Institute of Structural Engineering
Faculty of Civil Engineering
Technical University of Košice

presents

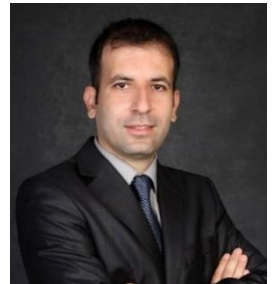

Invited Lecture

**Present situation, problems, and future
of Composite Structures**

Assist. Prof. Dr. BABAK Safaei

Department of Mechanical Engineering

**Eastern Mediterranean University
North Cyprus**

1th April 2022

10:50 – 12:20

<https://tuke.webex.com/meet/kamila.kotrasova>

Research fields: Computational Mechanics, Micro and Nano Mechanics, Composite Materials, Lightweight Structures, Atomic Layer Deposition, Energy Harvesting
