SUMMARY & OBJECTIVES

The internet is a central part of our daily lives, therefore understanding and protecting human rights in the digital space should be a crucial skill of our time. Youth workers today have an important role in empowering young people to be aware of their digital rights, the limits of free speech, and how to defend against online attacks.

This training will equip youth workers with the tools and knowledge to confront hate speech, manage conflicts in digital spaces, and foster a safe, respectful online environment.

Through interactive workshops and expert-led discussions, participants will explore key topics like the boundaries of free speech, international human rights protection, and the importance of online safety and netiquette. We aim to build a future where digital spaces are approached in the same respectful and rights-based way as the physical world.

COMPETENCES TO GAIN

What competences will the participants gain? Participants of the **“Human Rights Defenders: Societies in the Digital Era”** training program will acquire a diverse range of competencies essential for addressing the complexities of human rights protection, online conflict management, and promoting digital safety in current digital world.

Navigating Free Speech and Responsible Communication in the Digital Age:

Understand the legal boundaries of free speech and learn how to navigate the complex area where freedom of expression meets respect and responsible communication.

Human Rights in the Digital Era:

Gain insights into international human rights protection mechanisms through presentations and workshops focused on their relevance in the digital age.

Mastering Digital Safety and Netiquette

Master the principles of digital safety and netiquette to support young people in their online interactions and behaviours.

Countering Online Hate:

Learn strategies to counter online hate speech, cyberbullying, and digital harassment, ensuring a safer digital environment for all.

Fostering Respectful Online Interactions:

Develop conflict management skills tailored to the digital space, addressing disputes and fostering respectful interactions online.

Exploring Digital Citizenship in the 21st Century

Explore the concept of "my digital self," understanding the rights and responsibilities we hold as digital citizens in the 21st century.

Logistics

Our meeting will take place in **Trnava-Hrnčiarovce**, not far from the capital city of Bratislava.

We very much encourage you to choose a **green way of transport** - either train or bus. The easiest and most economical way to reach Trnava by plane is to fly to *Bratislava* (which is a very small airport and usually it is hard to find the flights there). Other very convenient option is to fly to *Vienna* (Austria), then take a bus from the airport to Bratislava (approx. 1 hour) and then bus or train to Trnava (approx. 30 minutes).

The limit for travel costs is the following:

Slovakia	180* EUR
Poland	180 EUR
Italy	275 EUR
Lithuania	275 EUR
Czechia	180 EUR
Greece	275 EUR
Slovenia	180 EUR
Romania	275 EUR

***For participants from Slovakia: if the distance is more than 99 km**

Please plan to arrive by **2nd December before 19:00** and depart anytime **after breakfast on 8th of December.**

Once you are selected and confirmed by the partner organisation, please check the most suitable travel tickets for you and consult it either with the sending organisation or directly with us. We can also talk about travel itineraries individually, and we can help you to find suitable bus/train itineraries for travel from Bratislava/Vienna to Trnava-Hrnčiarovce and back. **If you have confirmed the flight tickets by a representative of the European Dialogue, you can proceed with tickets booking.** Right after the training, you will be reimbursed directly on your bank account after providing all the original travel documents to organisers. The procedure of the reimbursement process will be explained to you during the first day of training.

HOW TO GET FROM BRATISLAVA AIRPORT TO TRNAVA

FROM BRATISLAVA AIRPORT

DIRECT BUS:

Outside the Bratislava airport (in front of arrivals) you will find a bus stop. Several times a day there are buses going to Trnava.

You can check it here:
<https://cp.hnonline.sk/en/vlakbusmhd/spojenie/>

You have to search as follows:

from: Bratislava, letisko

to: Trnava

PUBLIC BUS → TRAIN:

If there is no bus going to Trnava, you have to take the public transport number **61** which last stop is *Bratislava main train station* (*Bratislava, Hlavná stanica*). Don't forget to buy the ticket in the machine outside and then to validate it in the machine inside the bus. Buy the 60 min ticket (the bus ride takes 24 minutes).

BRATISLAVA MAIN TRAIN STATION → TRNAVA

There are always trains going to Trnava from the Bratislava's Main Train station. Some of them are named Os, and they make stops in regional villages. Try to catch the fast train with its code starting with R, or REX, or Ex.

You can book your tickets in advance here:

<https://www.zssk.sk/en/>,

but it is not necessary. You can buy them at the station (though online tickets are 1% cheaper).

Your ticket (digital/paper) is valid for 24 hours from the moment of purchase until validated.

HOW TO GET FROM VIENNA AIRPORT TO TRNAVA

FROM VIENNA AIRPORT

TRAIN:

There is a train station the the airport, so you can reach Bratislava by train: from the *Flughafen Wien* trains go to the main *Wien Hauptbahnhof*, then you take another train to Bratislava, and another train to Trnava (see above). Check your way here: <https://www.zssk.sk/en/>

Here are some bus companies:

[Slovak Lines](#)

[FlixBus](#)

You can also check which bus from Vienna suits you the best here:

<https://cp.hnonline.sk/en/vlakbusmhd/spojenie/>

BUS:

We usually use buses though (it is cheaper) - there are several bus companies that go to *the Bratislava bus station Mlynské Nivy* or to the *Bratislava's Main Train Station*. You just have to get out of the airport arrival building and you will see the bus platforms on your right (see the map below). Buses go to Bratislava almost every 30 min. You can check it out on the websites and book the ticket in advance. Since you cannot know whether your flight is delayed or no, we would recommend you to buy the ticket online right before landing. Be careful, as buses get fully booked often.

BRATISLAVA MLYNSKÉ NIVY → TRNAVA:

The trip by bus takes up to one hour. You get to the Bratislava bus station and maybe you will be lucky and catch a bus going to Trnava.

You can check it here:
<https://cp.hnonline.sk/en/vlakbus/mhd/spojenie/>.

Note: don't forget to check **how long the ride is**, because it might be the bus stopping at every village, which can take up to two hours. In this case, please go rather by train.

Don't forget to buy the ticket in the yellow machine outside and then validate it in the machine inside the bus. Buy the 30 min ticket (the bus ride takes 12 minutes). See above on how to get from **Bratislava Main Train Station → Trnava**.

When you reach the train station in Trnava, please follow the below instructions on how to get to the accommodation.

**If you need any help with finding
the best options, let us know.
